There are 3 ways you and your organization can contribute to the Pearls with a Purpose Foundation. Please choose one or a combination of ways, which will work best for you.

1. Donation Drive: Every 4-8 weeks we ship all of the humanitarian supplies that have been donated to the Philippines. The following items are always in great need.
 - ✓ Food – Non-perishable canned or dried. Protein items such as canned meat, tuna, peanut butter, and beans are greatly needed. Food items with a high nutritional value are preferred, but anything is welcome.
 - ✓ Education Supplies – Books in English are great. Children's books, text books for all levels of learning, learning software, working computers, coloring books, paper, pens, art supplies, chalk and chalk boards, pencils, erasers, markers, globes, maps, book bags and backpacks.
 - ✓ Clothing – New or gently used clothing for children and adults. Clothing appropriate to wear to church and school especially needed. Children's shoes, rain coats, and jackets. Baby clothing and necessities.
 - ✓ Toys – The children rarely have toys. Educational toys and dolls, such as Barbie Dolls are a great treat.
 - ✓ Household items – Small household items, such as dishes, portable heaters, sheets, blankets, and towels.
2. Sponsor a Shipment: Each box we send hold up to 200lbs of supplies. We have a great shipping partner that deeply discounts the cost to only \$70/box. We would love to ship a box or boxes in your name. All contributions are tax deductible.
3. Host a Jewelry Show: Host a jewelry sale at your home or office. We will come and make the presentation to your guest and bring all the jewelry for them to see. Guest can receive a 10% discount on their purchases for bringing items to donate (from item#1 above). A cash donation of 10% of the total party sales will be made in your name to the Pearls with a Purpose Foundation.

Thank you again for your desire to serve. We would be unable to meet our goals of employing and feeding families without your support.
